CITY OF SEMINOLE COMMUNITY DEVELOPMENT DEPARTMENT BANNER PERMIT APPLICATION

SEMINOLE BANNER PERMITS CONDITIONS:

A banner, or banners, may be used for a period not to exceed fourteen (14) days, with a minimum of forty-five (45) days between each use, and banners may not be used more than four (4) times per calendar year. If you choose not to use all fourteen (14) consecutive days during a block of time, then you lose the unused time within that block.

The total square footage of all banners shall not exceed fifteen (15) sq. ft. (i.e., two (2) banners each being 7.5 sq. ft. etc.)

The use of the banner shall be limited to an authorized use of the property in the zoning district where located.

The banner shall be setback at least ten (10) ft. from the property line. The banner shall not be placed so as to obstruct traffic or traffic related visibility. The applicant shall submit a detailed plot plan showing the location of the proposed banner(s).

The plan shall be examined by the Community Development Department to determine compliance with this Chapter and other applicable Codes, Ordinances, or Regulations. No permit for a banner(s) shall be issued until the plan complies with these provisions.

Applicant's signature is certification that they understand the banner regulations and intend to comply with such, and it shall be the applicant's responsibility to take the banners down on or before the expiration of the fourteen (14) day time limit. Failure to do so will result in a code enforcement action.
