Basic CPR Classes

City of Seminole Fire Rescue offers Basic CPR Classes on a monthly basis. The classes are held on a free basis. American Heart Association Course completion cards are available for a fee of \$ 5.00. The courses follow the American heart Association HEARTSAVER AED curriculum, the classes are designed to give the student confidence to handle emergency situations and provide the basic care needed to help a victim prior to the arrival of first responding EMS units. Lasting only one evening in duration the student will learn the skills of CPR on Adults, Children and Infants as well as how to use an AED (Automated External Defibrillator).

The classes are **not intended** for Healthcare professionals or CNA's, LPN's, or Lifeguards.

Classes are scheduled for July 6, August 3, September 7, October 5, November 2 and December 7 all classes begin at 7:00 PM and may run until 10:00 PM.

Classes are conducted at Fire Station 29, 11195 70 Avenue North, free parking is available at the rear of the station.

Space is limited, please register by email: bdykens@myseminole.com , or call 727-393-8711 extension 210.
