“Remember Hurricane Irma – the City of Seminole Needs You”. Community Emergency Response Team, CERT – G317, is a course that serves as an introduction to CERT for those wanting to serve as a CERT member, or as an excellent preparedness training class for an individual. Following a disaster, you and the community may be without assistance for a period of time. Make a difference by using your CERT training to help. This training covers the basic skills that are important to know in a disaster when emergency services are not available. The training will prepare you to work as a team with other CERT members, and enable you to assist and prepare yourself, family, and neighbors by doing the greatest good for the greatest number of people. City of Seminole CERT members also perform various non-hazard jobs such as; evacuation of residents, communications help and by providing assistance with Firefighter rehab during incidents. CERT also provides support to the City during parades, festivals and other special events. Be Ready, Be involved.

ATTENDANCE OF ALL SESSIONS IS REQUIRED FOR GRADUATION.

Each graduate that becomes a member of Seminole CERT will receive a CERT Basic Equipment Kit.

Lunch and snacks provided.

Registration is Required & Space is Limited Please Go To:
