## SEMINOLE'S CITY-WIDE FOOD DRIVE CHALLENGE

CONTINUES...

Mayor Leslie Waters launched a BIG & BODACIOUS year-long ...city-wide... canned food drive in 2014 with a goal of **18,739** items, which represented an average of one can per citizen in the City of Seminole. The goal was exceeded by August! The cans continue to roll in!

*"The Interfaith Food Pantry continues to be in need of food items to help supplement the dinner tables of hundreds of families every year. Seminole is a caring and giving community, and I am proud that generous contributions to the Interfaith Food Pantry are continuing," remarked Mayor Waters.*
