	(Name)	of		(Stre	pet Address, City, State, Zip)				
here	, ,	mittee, a Permit to construct	operate	maintain	renew and/or remove				
of 144	av and/ar property of l	Darmittar at the following least			on attached plan along, across, beneath, or over right				
		Permitter at the following locati		Dorool	ID No.				
					ID No,				
	ited at conditions:	(Address or Street Inte			, Florida, subject to the following provisions				
1.	Construction operation	on and maintenance of such utili	v shall not inte	rfere with prope	rty and rights of prior occupant				
2.	Construction, operation and maintenance of such utility shall not interfere with property and rights of prior occupant.  The construction, operation and maintenance of such utility shall not create obstruction or conditions which are or may become dangerous to the traveling public.								
3.	All work must be done in keeping with standards of the Florida Department of Transportation Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways, Roadway and Traffic Design Standards, Florida Department of Transportation Standard Specifications for Road and Bridge Construction, AASHTO.								
4.	All materials and equi	pment shall be subject to inspec	tion by an Engi	ineer of the City	or his agent.				
5.	Prior to beginning any work hereunder, Permittee shall, through the State of Florida's Department of Environmental Protection Online Contamination Locator Map and the Pinellas County GIS Map, first evaluate the property herein as to any environmental risks. If subsequent to the start of any work herein Permittee encounters any environmental hazard or abnormal conditions, Permittee shall immediately cease work and notify the City. Permittee may only resume work upon written notification by City.								
6.	The Permittee shall and does hereby agree to indemnify, pay the cost of defense, and save harmless the Permitter from and against payment of all claims, suits, actions, costs, attorneys' fees, expenses, damages, judgments, or decrees by reason of any person or persons or property being damaged or injured by the Permittee, his employees, agents or sub-contractors or in any way attributable to the performance, prosecution, construction, operation, or maintenance of work herein permitted by Permitter and resulting from negligent acts or omissions of said Permittee in connection with the work herein permitted.								
7.	The Permittee shall repair any damage or injury to the road or highway or other City property by reason of the exercise of any of the privileges granted in this Permit, and shall repair the same promptly, within seven (7) days of opening, restoring it to a condition at least equal to that which existed immediately prior to the infliction of such damage or injury. (Note: All portions of the right of way other than paved areas disturbed by the construction of this utility will be compacted, grassed and mulched or sodded as required.)								
8.	In the event of widening, repair or reconstruction of said road, the Permittee shall move or remove said utility installation at no cost to the Permitter.								
9.	This permit creates a permissive use only and the placing of facilities upon City property pursuant hereto shall not operate to create or to vest ar property rights in said Permittee and is granted in perpetuity subject to termination by the Permitter upon the giving of 30-days notice in writing to the Permittee.								
10.	The Permittee shall furnish the Permitter with a survey showing the exact locations of all facilities to be installed pursuant to this permit, said survey to be sufficiently detailed to allow location of said installation by reference thereto. The attached plan, covering details of this installation, shall be a part of this permit. Upon completion of installation, if field adjustments are made, an as-built drawing will have to be submitted.								
11.	Section corner monur	nents subject to displacement sl	nall first be refe	renced and late	r reset by a Florida Registered Land Surveyor.				
12.	Public Works is to be	notified a minimum of 48 hours	orior to beginni	ng work at 397-6	6383, otherwise the Permit may be voided.				
13.	The Permittee shall co	ommence construction within 60	days from the	date of this perm	nit and it shall be completed within days.				
14.	In addition to its own work, the permittee must restore the general area of the work, and the surrounding areas, including the paving and its foundations, to the same or better condition that existed before the commencement of the work and must maintain the same condition for a minimum of 12 months thereafter. In approving an application for a right-of-way utilization permit, the permittee must restore the right-of-way as provided by F.S. § 337.401 et seq. Failure of the permittee to promptly restore the right-of-way shall constitute consent for the city to perform su restoration at the permittee's expense.								
15.		lawfully placed or maintained by			ce of its facilities. This responsibility covers not only city s damage caused by service interruptions or failure of the

## **APPLICATION SUBMITTAL INSTRUCTIONS**

- 1. Description and nature of the proposed installation shall be outlined in the two blank lines on application.
- 2. The bottom of Application Sheet 1 shall be signed by applicant or his agent.
- 3. On the attached plan, the following data shall be supplied:
  - a. The plan shall show the right of way lines and the widths of right of way. The offset distance from the centerline of the proposed installation shall be shown and the scope of the proposed project, with all the distances and sizes clearly indicated.
  - b. Typical cross section shall be furnished showing width of pavement, width of right of way on each side, offset distance from centerline to proposed installation and any pertinent data to sidewalks, curbs and gutters, etc.
  - c. Indicate type of installation on both typical cross section and plan view.
  - d. All pertinent drainage information and calculations or justification for size of pipe and/or grading.
- 4. All improvements within City maintained right of way shall conform to Florida Department of Transportation requirements and/or City Subdivision requirements.
- All applications for water and sewer lines must be separate applications and countersigned by the utility involved prior to submittal.
- 6. This form is to be made out in TRIPLICATE with three (3) sets; one fully executed copy will be returned to you after approval.
- 7. Due to the extensive work being done in City right of way, please provide proof that you meet the following insurance requirements:

"Comprehensive General Liability Insurance including, but not limited to, Independent Contractor, Contractual, Premises/Operations, Products/Completed Operation, Explosion, Collapse and Underground, and Personal Injury covering the liability assumed under indemnification provisions of this permit, with limits of liability for personal injury and/or bodily injury, including death, of not less than \$300,000, each occurrence; and property damage of not less than \$100,000, each occurrence. (Combined Single Limits of not less than \$300,000, each occurrence, will be acceptable unless otherwise stated.) Coverage shall be on an "occurrence" basis, and the policy shall include Broad Form Property Damage coverage, and Fire Legal Liability of not less than \$50,000 per occurrence, unless otherwise stated by exception herein."

THE UTILITY NOTIFICATION CENTER "CALL SUNSHINE" (1-800-432-4770) MUST BE NOTIFIED 48 HOURS IN ADVANCE OF CONSTRUCTION.
